

SAFARI OVERVIEW

Lake Mburo National Park (LMNP) is the smallest savannah type park in Uganda and is also considered the most family-friendly as it features no big cats, which allows for walking, horseback, and cycling tours. With a landscape consisting of acacia woodland and savannah, Lake Mburo NP is the only park to feature both eland and impala antelopes and shares the Burchell's zebra with the Kidepo Valley NP. The Uganda Wildlife Authority (UWA) also translocated Rothschild giraffes from the Murchison Falls NP to complement larger wildlife species such as buffaloes, crocodiles, and hippos, which are mostly seen around the central lake.

SAFARI ITINERARY

Day 1 - Kampala to Lake Mburo National Park

Lake Mburo National Park (LMNP) is the smallest savannah type park in Uganda and is also considered the most family-friendly as it features no big cats, which allows for walking, horseback, and cycling tours. Lake Mburo NP was originally gazetted in 1933 as a hunting area, was then upgraded to a game reserve in 1963 and finally declared a national park in 1983.

With a landscape consisting of acacia woodland and savannah, Lake Mburo NP is the only park to feature both eland and impala antelopes and shares the Burchell's zebra with the Kidepo Valley NP. The Uganda Wildlife Authority (UWA) also translocated Rothschild giraffes from the Murchison Falls NP to complement larger wildlife species such as buffaloes, crocodiles, and hippos, which are mostly seen around the central lake. In addition, the park also features more than 300 bird species, including the rare shoebill stork.

The following optional activities at cost are available for the Lake Mburo National Park. Please see the section [Services & Safari Activities Included](#) for optional activities already included in the price for this itinerary.

Optional Activity - Nature Walk: Enjoy a nature walk with a ranger guide to discover the wildlife wonders of LMNP.

Optional Activity - Mountain Bike: Some of the lodges in the park also offers mountain biking on one of the many trails accompanied by a ranger guide.
